STAYING SAFE @ THE NATIONAL COUNTRY SHOW LIVE 2021

Your safety is important to us when visiting our show so we have been working hard behind the scenes and put extra measures in place to keep visitors, exhibitors and staff safe.

Despite the recent lifting of Government restrictions, we have decided to keep the following measures in place to ensure our visitors have a safe and enjoyable day out.

HEALTH CHECKS

If you are experiencing symptoms connected with Coronavirus (Covid-19) and feel unwell or currently self-isolating, then please DO NOT attend the show. Any member of the public clearly displaying such symptoms will be refused entry.

Please familiarise yourself with the following and always check the [Government's current guidelines](#) before leaving home:-

SOCIAL DISTANCING

Although official capacity guidelines have been lifted from the Government, we are limiting tickets to this year's event, to ensure our visitors can enjoy a safe and comfortable day out.

We will monitor the number of visitors attending the show throughout the day and take action, where appropriate, by restricting/regulating the flow to assist with social distancing.

All tickets must be scanned on entry to the show to enable us to keep an exact head count.

Please look out for our new signage and help us keep you safe by adhering to the requests as these measures are put in place for all our benefits.

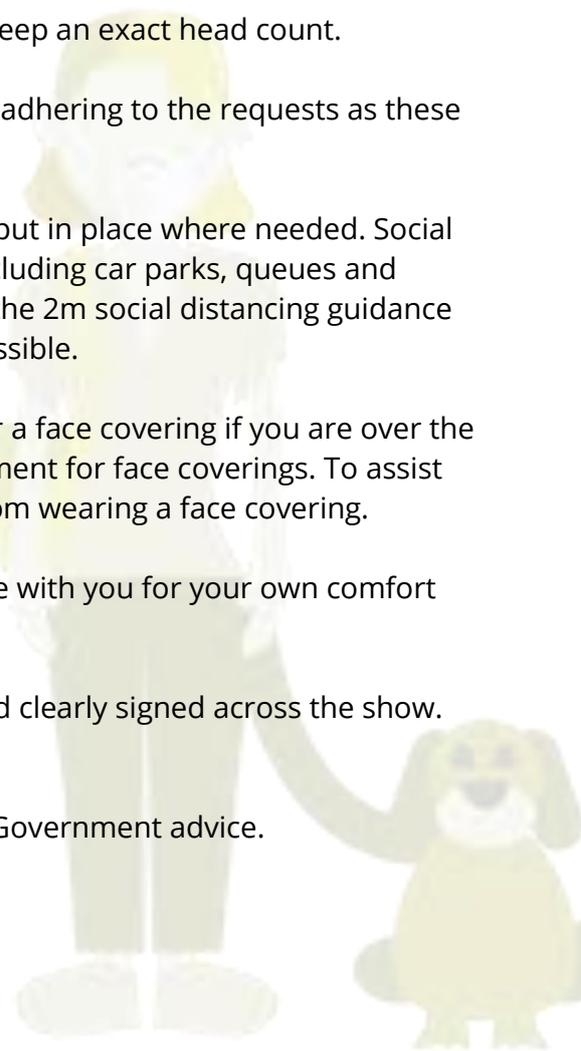

The show layout has been addressed and wider aisles have been put in place where needed. Social distancing will be in place across the entire Show and Grounds including car parks, queues and around the main stage/arena (if present) so please try to keep to the 2m social distancing guidance or 1m mitigation (face coverings, screens etc) where this is not possible.

If marquees with sides on are in use at the show then please wear a face covering if you are over the age of 11 years and are able to. Visors do not replace the requirement for face coverings. To assist our stewards, please display a badge or card if you are exempt from wearing a face covering.

Face coverings are not mandatory, but we do advise you bring one with you for your own comfort and protection. Please note: – We do not provide face coverings.

Hand washing facilities and sanitising stations will be provided and clearly signed across the show. Please sanitise your hands before entering the show.

Toilets provided at the show will be cleaned regularly in line with Government advice.
